🔗 Portfolio

🔧 CAREER OBJECTIVE

To leverage my skills, experiences, and passion to contribute effectively to a dynamic organization, striving for excellence in its field.

🎓 EDUCATION

B.Tech (CSE) 2022 – present
Gokaraju Rangaraju Institute of Engineering and Technology
9.26 CGPA
Hyderabad, India

Intermediate 2020 – 2022
Sri Chaithanya Junior College
94.5%
Hyderabad, India

🧠 SKILLS

Programming Languages

Python, Java, C, R, SQL

Web Technologies

HTML, CSS, JavaScript, PHP, React JS, Node JS

Machine Learning

Scikit-learn, TensorFlow

Data Structures and Algorithms

📁 PROJECTS

Sales Prediction using different Machine Learning Algorithms

Developed a sales prediction project using ML algorithms for trend forecasting, with data preprocessing and feature selection for accuracy. Built a user-friendly web interface and hosted the site for real-time predictions.

SponsorConnect

Developed a web platform connecting organizations with potential sponsors, enabling project showcasing and direct sponsorship engagement. Integrated profile management, sponsorship listings, and secure communication for streamlined funding.

No-Code ML Model Training App

Developed a no-code ML application enabling users to train models without coding, supporting dataset uploads, real-time evaluation, and deployment. Built with Python, Flask, TensorFlow, and Scikit-learn for optimized usability.

🔧 EXPERIENCE

Technical Team (Volunteering)

T-Works

- Volunteered at Maker Faire in collaboration with T Works, Hyderabad, assisting in setup and operation of innovative prototypes, showcasing technical expertise.

Educational Mentor

Skill Development Cell (Student Branch)

- Educate students about the courses our club offers and assist them in completing those courses by resolving any technical or course-related doubts they may have.

📄 CERTIFICATES

- MYSQL certification-HackerRank
- Data Science for Engineers - NPTEL
- AI Tools and ChatGPT Workshop - be10x
